

SOLIDARITY FOREVER

American folk song

So - li - da - ri - ty for - e - ver, So - li - da - ri - ty for - e - ver,
So - li - da - ri - ty for - e - ver, for the U - nion makes us strong. 1. When the
U - nion's ins - pi - ra - tion thru the wor - ker's blood shall run, there can
be no po - wer grea - ter a - ny - where be - neath the sun. Yet what
force on earth is wea - ker than the fee - ble strength of one, for the U - nion makes us strong.

2. It is we who plowed the prairies,
Built the cities where they trade,
Dug the mines and built the workshops,
Endless miles of railroad laid,
Now we stand, outcast and starving,
Mid the wonders we have made
But the Union makes us strong.

3. They have taken untold millions that
They never toiled to earn,
But without our brain and muscle not
A single wheel can turn,
We can break their haughty power,
Gain our freedom when we learn
That the Union makes us strong.

4. In our hands is placed a power greater
Than their hoarded gold,
Greater than the might of atoms,
Magnified a thousandfold,
We can bring to birth a new world
From the ashes of the old
For the Union makes us strong.
