This land is your land, This land is my land,
From California to the New York island;
From the red wood forest to the Gulf Stream waters;
This land was made for you and Me.

As I went a-walking that ribbon of highway
I saw above me that endless skyway
I saw below me that golden valley
This land was made for you and me.

There was a high wall there that tried to stop me
A sign was painted said "Private Property"
But on the backside it didn't say nothin'
That side was made for you and me.

This land is your land, This land is my land,
From California to the New York island;
From the red wood forest to the Gulf Stream waters;
This land was made for you and me.
